

Covid-19 Wedding Regulations

- The total number of guests must be below the 33% capacity of St. Mary's Church, which is 300 guests.
- Everyone attending the wedding rehearsal must register with their full name, phone number, recent travel history, and current health status including a temperature check. All members of the wedding party must follow the guidelines for wearing a mask and social distancing. Everyone who registers at the rehearsal who is attending the next day will not need to re-register for the wedding.
- All Guests must pre-register for the wedding ceremony. If they have not pre-registered, they will be delayed at the door to register with their full name, phone number, recent travel history, and health status. We ask that all guests arrive 30 minutes prior to the wedding ceremony. All guests are required to follow the guidelines for wearing a mask and social distancing. The only exceptions will be made for the wedding party during the ceremony.
- There is no congregating allowed within the Church.
- Indoor/Altar Photos will be limited to the immediate wedding party and to the parents of both the Bride and Groom. Larger group photos must be taken outside. We recommend large group photos be taken on the front steps of St. Mary's or in our beautiful Prayer Garden.

Covid-19 Cleaning Fee: \$150.00
